

Race Committee Meets Tonight

The committee for the coming Michigan Canoe Championship marathon canoe race from Grayling to Oscoda to be held this year on September 12 and 13 will meet tonight at Whispering Pines at Mio, according to Les Hunter, committee secretary.

Any interested person in Grayling is welcome to attend the meeting. Grayling will be represented at the meeting by Mr. Hunter and Jerome Kessler. According to the secretary, entry blanks complete with entry fee have already begun to come in and it looks like a bang up race for this fall.

Newest development as far as the race committee is concerned is the naming of Guido Freund of Oscoda as finish chairman. He succeeds Clarence Eoff, president of the Oscoda-AuSable Chamber of Commerce, who has resigned the post due to the pressure of other affairs.

Ben Azar, of Mio, is general race chairman, and Howard Eymor, of Oscoda, is treasurer of the committee. Entry blanks are now out and a number of contestants are already training for the event.

Michigan Mirror

"Slow! Men Working!" "Danger! Road Under Construction!" "Detour! New Bridge Being Built!"

Some of the familiar signs that greet the state of Michigan these days. To the tourist, anxious to rack up 600 miles that day so he can brag to Cousin Lemuel back home, such signs may be irritating. But to State Highway Commissioner Charles M. Ziegler, they're as gratifying as a bunch of big numbers on a scoreboard are to a base ball player.

Those signs are the scoreboard for a victory of Brother Ziegler and his fellow-Republicans in the Legislature.

They represent over \$42 million of state trunkline projects that the Highway Department has awarded since last September for 1952 construction. That's a record never matched in the 47 years the department has existed. In 1950 the total was \$25 million, in '51 it was \$22 million.

"This program of badly-needed construction was made possible because of the new highway legislation enacted in June, 1951, over the vigorous protest and veto of the Governor," says Ziegler. (And he may be forgiven if a note of gloating creeps into his voice.) "This legislation provides for an increase in gasoline tax from 3c to 4 1/2c per gallon and increased weight tax on heavy trucks. The petroleum industry has absorbed 4c of the increase and further absorption is expected."

Bolstered with these figures Ziegler will fight vigorously against a reported plan of the CIO to put a referendum which would cut gas tax to 3c by Constitutional amendment.

"The increased highway construction program would cease for lack of funds should the CIO be successful," Ziegler warns. He recalls that the labor group failed to stymie the original increase when the Supreme Court held that petitions for that referendum were invalid.

"Michigan's gasoline tax of 4 1/2c per gallon, as at present, is still approximately 35% below the national average," the commissioner points out emphatically.

"Why is the road to my Summer cottage so bumpy while the one to Sunburn Beach is being repaired?"

That's a common question and the commissioner has a ready answer for it. "Projects are determined on an emergency basis," he says. "We've got to catch up on the tremendous backlog of work which accumulated because of inadequate revenue in the past."

Heavy wartime traffic increased normal depreciation. There were material shortages. Revenues were cut because of gas and tire rationing during the war. Costs more than doubled.

Michigan, the auto state, was a pioneer in building roads for auto traffic. Many trunklines were built 20 and 30 years ago and though they were brilliant examples to the rest of America then, they were not designed for today's transportation and require high, uneconomical maintenance expense. Many are being rebuilt to 1952 standards.

The steel strike may cause delay in some current projects. But the big threat as Ziegler sees it, is cutting gas tax revenues. "Construction programs in the counties, cities and incorporated villages have also been expanded because of these increased revenues," he emphasizes, "and they'll be cut if gasoline taxes should be lowered."

The legislature can override a Governor's veto; they can't override a Constitutional amendment. So Ziegler is hoping that all future signs saying "Men Working" will refer only to highway construction crews and not to circulators of petitions that he fears will take such signs off Michigan trunklines.

Eldorado Postoffice To Close After 65 Years Service

Mrs. Boyd Funsch Postmaster 29 Years

The Crawford County postoffice at Eldorado will close its doors after doing business the day of July 31, 1952. The small office serving the needs of 10 families is located in the farmhouse of Mr. and Mrs. Boyd Funsch and has been an operating office for 65 years. Eldorado is located in south eastern Crawford County, just north of M-144 about halfway between Luzerne and Roscommon.

The Eldorado postoffice was first established as the Jackpine postoffice about 1886, or 1887, as near as old residents here can recall, and was located about two miles south of its present location. Mail first came through from Luzerne by team over tote roads serving logging camps in the area.

First postmaster was William Edwards. He was succeeded by George Hartman when the Jackpine postoffice was moved to the Hartman farm about 1893, across the road from its present location. The name Jackpine was changed

to Eldorado in 1908 when this area was boomed as the "Land of Clover" in Northeastern Michigan. Ivory R. Gile served as postmaster of the now named Eldorado postoffice from 1908-11.

In November, 1911, James F. Crane, who had operated a general store at Bedford, Mich., near Battle Creek, before moving north became Eldorado's postmaster and the office was moved a quarter mile south to his farm. He served as postmaster until 1923, with his daughter, Grace L. Crane aiding as postal clerk.

Grace Crane married Boyd I. Funsch in 1915 and on Aug. 1, 1923 she was commissioned Eldorado postmaster, succeeding her father.

When the Eldorado postoffice closes at the end of this month, Mrs. Funsch will have served 29 years, to the day, as postmaster.

Postoffice business is conducted by Mrs. Funsch in one corner of the dining room of her farmhouse, with the traditional "pigeonholes" for mail, and a small desk. At the rear entrance is a homemade "drop box" for letters made from a small metal oil container.

Despite postal regulations, some times the little Eldorado postoffice operated 24 hours a day to furnish service to its patrons when the mail arrived late by horse-drawn stages. Frequently, the mail stages would be delayed until after midnight by snow-blocked roads in the early days.

"Stages carrying mail, passengers and freight between Roscommon and Mio—one starting from each end of the route—would meet at my father's farm, years ago, and there exchange loads," Mrs. Funsch related. "We served dinner each day to the drivers and passengers. Eldorado is about midway on the route 15 miles from Roscommon, and 18 from Mio."

"Back in the 1880s and 1890s, riders on horseback used to carry the mail on a spur route from Eldorado to the Tyell postoffice (long since discontinued) about three miles northwest of here," her husband added.

"When our little postoffice closes the end of this month, a new star route over M-72 from Grayling will serve part of our patrons. Another out of Roscommon will take care of the rest," Mrs. Funsch said. "At one time, the postoffice here served between 50 and 60 people."

But Eldorado postoffice will live on for years in the memories of the pioneer families it served so long.

Grayling Fire Department News Weekly meeting was called to order by Chief Middle LaMotte at 7:30 p. m.

The department went through four more business places, Long's Restaurant, Falling Restaurant, Art Wordens Bar and through Hunter's Dairy. After we had gone through all these buildings we returned to the fire hall.

The minutes of the last meeting were read and approved. A discussion was held about the way the hoses were loaded on the trucks.

The meeting was adjourned at 9:15 p. m. Sixteen members were present.

There were no fires this past week.

HOSPITAL NEWS Those released from Mercy Hospital during the past week were Ted Crawford, Pamela Gibson, Henry Feldhauser, Charles Decker, Mrs. Erma Daly and Sally Brown of Grayling, and Jay O'Dell of Frederic.

Mr. and Mrs. Robert Tiffin announce the arrival of a daughter on July 16th.

Melvin Yoder, Mrs. Harold Cliff, George and Carol McDonald, Paul Jones, Peter Stephan, Henry H. Smith and Robert Wyman were among the patients at Mercy Hospital.

A son was born to Mr. and Mrs. Charles Decker at Mercy Hospital on July 16th.

The first Drive-In theater in Otsego County and vicinity opened last Friday evening two miles south, just off US-27 on the 46 parallel road known as McCoy road.

The theater is the third in a series of Drive-Ins built by the Olson Brothers, James and George of Grayling.

They have one at Rosbush another at Houghton Lake. They also operate indoor theaters at West Branch, Clare, Houghton Lake, Grayling and Gaylord.

Shows will change three times each week at the Gaylord Drive-In that will accommodate 300 cars.

Lets Roll Up Our Sleeves

Americans are rolling up their sleeves everywhere. All kinds of people are giving blood to the Red Cross so that our wounded and those at home may live.

In connection with this blood clinic will be held in Grayling Friday, August 9th from 1 to 7:00 P. M. The place will be announced later.

Miss B. Allen of the Red Cross area office, St. Louis, Mo., was in the city Monday evening and has announced that Crawford County needs 110 donors. Eighty pints of blood are needed from the county for armed forces and home use. Added to this the county is in debt 13 units, hence the need for 110 donors.

The State of Michigan should be sending over 700 pints per week to Korea but because of a shortage has only been able to send a little over 500 pints.

Today's medical and surgical techniques are sending back more wounded men to lead normal constructive lives. These techniques require repeated transfusions of whole blood for operations, for skin grafting, for plastic surgery. That's why America has been asking for voluntary blood donations at the rate of 300,000 pints a month.

But the quota is far from being filled. That's the picture. And now that you know it, we think that you, too, will thoughtfully give your blood.

Be assured that your Red Cross, its nurses and doctors, will allow you to donate only if you are physically capable of doing so. As to after-effects, any doctor will tell you that you'll continue to feel fine—that your body quickly and easily manufactures lots more new blood to replace that which you've given. In many instances, people say that giving blood has helped them feel better, sharpened appetites, and makes them feel "simply wonderful!"

This is not a whole-blood program but rather plasma and its derivatives.

Call Mrs. Leo Jorgensen, phone 4781 and make your appointment be today.

Work Started At Winter Park

Work has been going on for about two weeks on the new building at the Grayling Winter Sports Park. Labor is being furnished from Camp Lehman, prison labor camp at Hartwick Pines.

The new warming building of which this year's construction is but a part, is being financed with an insurance fund realized from the destruction by fire of the toboggan toboggan building at the park several years ago.

The new building will afford winter sports enthusiasts of complete modern toilet facilities which prior to this time was one of the park's biggest drawbacks.

Construction on the building will continue as far as the present funds will carry it. Next year, it is hoped, that the Conservation Commission will make an appropriation in order that more of the building may be finished. Upon completion, the building will afford a large warming room space, complete toilet facilities as well as a kitchen and space for various concessions.

The building is being located nearer the bottom of the ski slope and when completed will give warming room occupants a beautiful view of the ski slope through large picture windows.

Engagement Announced

Mr. and Mrs. Leo Morency of Grayling announce the engagement of their daughter, Juanita Elaine, to William Jack Millikin, son of Mr. and Mrs. Jack C. Millikin of Grayling. The wedding date has been set.

Return Golf Club Jeep

The stolen Grayling Golf Club jeep was returned to the club Tuesday by club president Jack Wilson and Grover Cason. The two men were taken to Roscommon to return the vehicle by Sheriff William F. Golnick.

The stolen car was found Saturday by Emil Schaar of Saginaw who was vacationing at Lake St. Helen. The car was found in a clump of jackpine between Roscommon and St. Helen off from a trail road. Whoever had taken the jeep drove it off from the trail road and over a clump of small maple trees which bounded back in to position after the car had driven over them. The concealment position with the maple trees behind it and covered over by low growing jack pines made it difficult to find.

Mr. Schaar reported the car to Roscommon County Sheriff James Gardiner, who, after checking several other northern Michigan towns which had reported jeeps stolen, contacted Sheriff Golnick who investigated the jeep. It was necessary to winch the car from the swamp into which it was driven.

Sheriff Golnick reported that the vehicle did not seem to have been harmed and that investigation into the disappearance of the jeep was still being pursued.

VISIT HERE FROM DENMARK

Guests at the Alfred Hanson home from Saturday until Wednesday were Mr. and Mrs. Aksel Petersen of O. Kippinge, Denmark who were also here to visit Mr. and Mrs. T. P. Peterson and Mr. and Mrs. Otto Peterson. Guests at the T. P. Peterson home were Mr. and Mrs. Lars Peterson of Coos Bay, Ore., who had attended the Republican Convention in Chicago en route to pick up the Aksel Petersens in New York City. All are cousins.

A family reunion was held at the T. P. Peterson cottage at Danish Landing on Sunday. Also present were Guy Peterson and daughter Miss Sally of Marquette who are spending 10 days at the Hanson home and visiting other relatives.

The Aksel and Lars Petersens left for Oregon Wednesday.

Indiana's 38th "Cyclone" Division Moves Into Camp Grayling Saturday

Ohio Air Guard Training Hard

This weekend 7,000 officers and men of the 38th "Cyclone" Division of the State of Indiana will move into Camp Grayling for a rigorous two weeks of field training.

As the ground troops, complete with tanks and big guns move out onto the various ranges and courses for problems in Crawford County, the Ohio Air Guard's 121st Fighter Wing were hard at work keeping their fighter craft in the air on firing and bombing missions along Lake Huron near Oscoda Army Air Force field.

The 1,200 men of Ohio Air Guard moved into the Grayling McNamara Air Base last weekend and will continue their field training through next week before returning to their homes bases. The big airport will be relatively quiet for a week while Indiana's Cyclone Division, under the command of Division Commander, As the Hoosier soldiers leave for home, 450

men of the Illinois Air Guard will arrive to train at the Air Base for two weeks. Michigan's Iron Fist Division, approximately 7,500 strong is scheduled to arrive at Camp Grayling on August 16.

This marks the second consecutive year that three states have trained at Camp Grayling and a fourth state for training in Crawford County is represented at the Air Base.

The Indiana Guardsmen usually train at their home camp, Camp Atterbury, but for the second year they have moved into the Michigan camp as their own is being used by the Army under Federal service.

The Indiana guard will undergo training very similar to which the Ohio's non-divisional units. National Guard just finished at the camp and ranges. The Indiana Guardsmen will probably start firing on the ranges near the camp also downriver and on the artillery range in the northern part of the state. The Indiana Guard should be taken to obey all signs, sentries or road blocks.

119 SLEEPERS CAMPERS DISTURBED

Cr-r-rack, s-snap, cr-rash and down came a tree at Camp AuSable about 2:30 a. m. in the storm of Sunday night.

Immediately, several tents of campers were awakened and hurried about tightening their tent ropes against the gusty wind that had suddenly arisen. The crashing of the tree along with holding down the tent walls to keep the rain from blowing in was enough to cause a stir of excitement throughout the camp even though the tree had fallen some distance from the tents.

About an hour passed before the storm subsided and sleep returned for the 119 campers (boys age 13 - 16) and staff members. Such is the life of camping in the great out-of-doors. This was but one of the many exciting things that happened at the Seventh-day Adventist Junior camp this week.

Men Bowlers Attention:

An important and urgent meeting of the Men's Grayling Bowling League will be held at the Legion Hall on Thursday, July 24th at 8:00 P. M.

Captains and sponsors of last season's teams are requested to be present. All others interested in entering teams or in bowling the coming season are especially invited to attend. This meeting will decide matters of vital importance to all bowlers.

New Motel Opens With Eight Units

A new motel, known as the Grayling Motel, opened on US-27 just south of Mercy Hospital with 8 units, last week end.

The first occupancy was on July 15 when three units were thrown open for tourists use and this last week end the full motel was completed and ready for use. The motel is owned and operated by the Gibbons Brothers of Charlevoix who own an identical motel there located south of the town district on US-31.

Four brothers are operating the two units. The past two weeks Victor and James have operated the Grayling Motel and they will now return to Charlevoix to operate the Charlevoix Motel while Jerry and Michael who have been managing the Charlevoix Motel will come to Grayling for two weeks.

The new unit is log style with a pine paneled interior and tile floors. The units are fully insulated and beautifully decorated. Each unit has a private shower and bathroom with hot water. The Grayling Motel will operate from early spring through deer hunting season, the Gibbons Brothers said.

Truck Slides Causing Crash

Three people escaped injury last Thursday afternoon when a haul-a-way truck jackknifed on wet pavement about three miles south of Grayling on US-27 and the left rear corner of the trailer side-swiped a car driven by Franklin Littlefield, 60, of RFD 2, Lake.

The truck, driven and owned by Clifford M. Dunn, 24, of Saginaw, Saskatchewan was forced to brake suddenly when a car in front of him slowed down and almost stopped on the highway.

Dunn was traveling south and Littlefield was traveling north. The car which almost stopped in front of Dunn proceeded on its way, evidently unaware of the accident.

Mrs. George Littlefield, 56, the only other passenger with her husband, was brought to Mercy hospital, Grayling, by Sorenson's ambulance. She was treated for minor bruises and lacerations and released.

The Littlefield car was badly damaged on the left side. Very little damage was done to the haul-a-way truck, which did not overturn.

Both vehicles were driven away under their own power. The accident was investigated by Crawford County Sheriff William F. Golnick.

CONCLUDE DENTAL FLOURINE PROGRAM

The Dental flourine program conducted by the District Health Department and sponsored by the Grayling Kiwanis Club was concluded on July 15. One hundred two children received complete treatment and seven were started here and will be completed in Kalkaska.

All volunteer help was furnished by the Grayling Parent Teachers Association. Without this help the program could not have been carried out.

Miss Elena Parker of Hazel Park, the dental hygienist, who did the actual work won the hearts of her patients with an engaging personality. Her efficient methods enabled her time to explain to each child exactly what the process would consist of. She also instructed each child on the proper care of the teeth and avoidance of too many sweets.

The P. T. A. committee and Kiwanis Club wish to thank everyone who contributed in any way to its success, also for the use of the Township Hall.

Earl D. Wright Laid To Rest

Earl D. Wright, son of Alva and Cora Wright was born near Gaylord, Otsego County Michigan, July 14, 1892, and departed this life the morning of July 4, 1952, at St. Lawrence hospital, Lansing after a three months illness.

He was married to Effie Jane Sherman, daughter of Mr. and Mrs. Benjamin Sherman of Frederic Michigan, on April 3, 1920.

Earl enlisted in the Army May 16, 1917, at Columbus Barracks, Ohio. He served in the Machine Gun Troop, 10th Cavalry, of the Regular Army on the Mexican Border. He was honorably discharged from the service at Camp Grant, Illinois, September 29, 1919.

He was a member of the American Legion, Orson A. Rose Post 215, a member of the 40-8 at Lansing and a member of the Fowlerville Masonic Lodge No. 164.

In December 1932 he and his wife moved from the city of Detroit to their present farm home in Handy township.

At the age of fifteen he was baptized and became a member of the Baptist Church at Gaylord, Michigan.

He leaves to mourn their loss, his wife Effie Jane, one brother, Alton and an uncle, Arthur Wright of Flint, Michigan, besides a host of friends and neighbors.

Funeral services were held from their farm home on Monday, July 7, with Rev. Ansley B. Chynoweth in charge, with interment in Greenwood Cemetery, Fowlerville.

POLIO VICTIM IS SKIPPER . . . Persistence ought to be the middle name of Bill Smith who, on or about, is instructing Charles "Bitch" Rowling in the art of rowing. Rowling is a member of the variety rowing crew of Columbia university, and Smith is captain and coxswain of the Lions' crew. Smith was attacked by polio when he was three years old and left a cripple for life. The rowers were training in Syracuse, N.Y., for the intercollegiate regatta on Lake Onondaga.

REPUBLICAN

U. S. Representative — 10th Cong. District

VOTE for the ONLY Candidate with a PROVEN
Record of PUBLIC Service

THE HON. ROY O. WOODRUFF ENDORSES CEDERBERG:

"I recently announced that I shall not seek re-nomination and re-election . . . May I take this occasion to express my deep appreciation of your wonderful loyalty and support . . . No Representative in Congress ever served a finer constituency."

"Naturally I am intensely interested in a successor who will meet with your approval and active support in the years ahead. After careful thought and thorough consideration, I want to commend to you the candidacy of Elford A. Cederberg. Following a course similar to my early start in public life, 'Al' is an active Republican serving his second term as Mayor of Bay City. This young war veteran has demonstrated the ability and courage essential to a faithful Representative in Congress. He possesses the initiative and the determination which we must have if this nation is to survive as a Republic. I am certain of his wholehearted devotion to the American principles to which I have always dedicated myself. I firmly believe that over the years he will merit the same splendid confidence you have consistently placed in me."

"It is a pleasure, therefore, to urge your support of Al Cederberg in the Republican Primary on August 5th."

Twin Enemies

Raymond Moley recently devoted one of his News-week columns to the radicals and reds—of whom Alger Hiss became the most notorious—who managed by devious ways to work themselves into strategic positions within the government. Of them, he said: "These people conceived themselves to be a part of a class struggle. They believe that free enterprise had neither the ethics nor the brains to save itself and that it was doomed. They, with the aid of the left wing labor leaders and the politicians who held the balance of power in the cities, were to be the ruling group...."

"The concept of what form this rule would ultimately take varied from person to person. Some called it liberalism others, government planning; others democratic socialism. Hiss and some others chose Communism. But the motive, I want to emphasize was in each case the same. The repudiation of our conservative traditions was the same. And I believe the danger to our free institutions will be the same unless we regard socialism and Communism as twin enemies."

Every American should read and remember that. Many of us, quite sincerely, have regarded socialism with tolerance. We have admired even when we have not agreed with, such high-principled socialists as Norman Thomas. What we have forgotten is that socialism has proven, in nation after nation, to be only a way station on the road that ends inevitably in dictatorship. Men of the Thomas stamp are always purged at a certain point and the Stalins take over all power.

Free institutions cannot live long under socialism, any more than they can live under communism.

**THIS is—to coin a phrase—a
"shopper's market."**

Folks are taking a keen look at what they get for what they pay—and they're taking a double look at price tags.

That's the kind of market where Buick really shines.

Do you know why?

Buick prices are down within easy reach of the folks who buy what's known as "the low-priced three."

Fact is—a big chunk of Buick sales comes from the folks who trade in one of this low-priced trio.

For very few extra dollars, they're getting a lot more automobile.

They're getting more power—

and the thrill that goes with it.

They're getting "big-car" comfort. They're getting a ride that cost a million dollars and more to develop.

They like the room, the fabrics, the extra appointments they find in the smart-stepping beauty pictured here. And they like Dynaflo Drive.*

They like the way it handles. They like the way it's engineered. They like the belt they get out of touching off the power of its Fireball 8 Engine—and they like the miles they get from a gallon of fuel.

So Buick sales are booming. Not just the SPECIAL—but also the SUPER and ROADMASTER. Folks find that each one is the buy in its field.

When we tell you that business is great, we can back up that statement with figures. More people are buying Buicks than any other car at their price or above.

Why don't you come in and see for yourself what's behind this popularity?

If you can afford a new car, you can be the proud owner of a Buick.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

Pictured is the new Stryker frame, for fracture cases, now in use at Mercy Hospital, being demonstrated to the student Practical Nurses, by their instructor, Mrs. Bernice Hilton, R. N., while Sister Mary Stella, Hospital superintendent, watches. Students are, left to right, Miss Mary Grace Keenan, Mrs. Wilma Kauffman, Miss Barbara Cohen, and Miss Theresa Bursynski. The Stryker frame, now in use at Mercy Hospital for fracture cases, is one of the newest type of beds for accident cases, enabling the patient to have the kind of care needed, with a minimum amount of discomfort and movement. The use of this bed has been made possible through the efforts of the Hospital Aid, who purchased it, and presented it to the hospital a short time ago.

Wolverine Plans 4th Sturgeon River Race

Plans for the Fourth Annual Trout Festival and Sturgeon River Canoe Race at Wolverine on August 17th are well under way.

The 35-mile canoe race will start at 10 A. M. at the Cornwell Ranch and end at the old US-27 bridge in Indian River. Prizes will be \$100, \$50 and \$25, and entry for a team is \$10. Anyone interested in entering the race should contact James A. Skinner, Wolverine. Last year's winner in the classic was Jay Stephen of Grayling and Ten Engle of Gaylord. The team made the course in 3 hours, 9 minutes, 50 seconds. The Wolverine Sportsmen's Association, which sponsors the Trout Festival annually, is conducting a Large Trout Contest in conjunction with it. Prizes of \$10 each will be given for the largest brook, brown and rainbow trout caught in the Wolverine vicinity. Rules and entry blanks are available at Burgess Store and Corey's Store in Wolverine, and two official weighing stations, and at all cabin resorts in the Wolverine area.

An additional contest in connection with the Festival this year is the Wildlife Photo Contest. Cash prizes will be awarded for the best wild animal, fish, and bird pictures entered by August 1st. Rules may be obtained at Wolverine stores or by writing Mrs. B. W. Dairymple, Wolverine. Winning entries will be on display at the Festival.

Details of the afternoon entertainment are not yet available, although it has been announced that there will be a merry-go-round

and pony rides for the youngsters. There will be a lunch counter, as well as booths run by the Legion Auxiliary, P.T.A., Jr. Guild, 4-H Club, Grange and others. A blanket made up at MUCC headquarters of emblems of about 100 MUCC member clubs will be displayed at the Festival.

Festivities will begin Saturday night, August 16th, with a dance.

Michelson Memorial Church News

(Too Late For Last Week)

The Rev. Mr. H. W. Kuhlman, former pastor at Michelson Memorial visited the opening session of the Intermediate Department and addressed the pupils briefly. Peggy Benware celebrated her birthday Sunday, and attendance awards for the past quarter were presented to nearly 30 members as follows: First quarter, Teddy Horning, Frances Akers, second quarter, Mike Roberts, Anne Marie Stancil, Vivian Fenton, third quarter, Billy Heath, Jerry Larson, Oscar Horning, fourth quarter, Maryda Stillwagon, Peggy Benware, Roger Nelson; fifth quarter, Billy Martin, Caroline Long; sixth quarter, Christine Lutz; eighth quarter, Judy Kenyon, Andrea Brown; ninth quarter, Judy Larson, Donald Roberts, Sandra Newell; tenth quarter, Pauline Lutz; eleventh quarter, John Robertson; twelfth quarter, Claudette Long; thirteenth quarter, Martha Stillwagon; fourteenth quarter, Jean Roberts; sixteenth quarter, Tom Hilton; eighteenth quarter, Sylvia Robertson; nineteenth quarter, Pat Thompson.

Visitors in the department were Mrs. Luther Borkenhagen and Sharon Dayton, Ohio; Mrs. Minnie Goranson, Nashville, Tenn.; Mr. and Mrs. William F. Scott, Detroit, Mich.; Miss Martha Olds, Miss Ann Wood, Alliance, Ohio; Miss Gwen June, Stamford, Conn.; Miss Mary Ann Schmucker, Detroit.

The Intermediate Department and their visitors met as a group in the balcony, where Mrs. Robert Funck presented the second lesson of the unit on "Living At Your Best." The third and fourth lessons will be presented by Mr. Tom Robertson. All young people and adults are invited to attend this united group for their summer sessions.

The Intermediate Camp group met at the church Sunday afternoon and were driven to Camp at Lake Louise by Mrs. Clarence Roberts, Mrs. Lewis Stillwagon and Mrs. Tom Haugh. Several of the parents and teachers were planning to visit the camp on Wednesday evening of this week.

The Daily Vacation Bible School is well into its second week now with an enrollment of more than 70 pupils. The school will close with an Achievement Program on Friday evening and will be followed by a picnic at Hartwick Pines on Saturday afternoon. More detailed announcements of these events appear elsewhere.

Local People's Brother To
Command Lakes' Largest Boat

Capt. R. F. Leng, brother of William Ace and Fred Leng and Mrs. Mabel Lewis of Grayling will be in command of the ore boat Joseph H. Thompson when it is completed sometime this fall.

The boat is a former ocean going C-4 which is being converted for lake use. The ship is 710 feet long, 71.5 feet wide and will have a depth of 38 feet. With a carrying capacity of 18,500 tons, she will be able to exceed 18 miles per hour, powered with a 9,000 horsepower turbine which will give her propulsion.

Capt. Leng has been employed by the Hanna Company for 44 years and has been a skipper for many years. His regular ship has been the E. H. Weir but is commanding the George R. Fink this

summer. The new ship will have a crew of 43.

This will be the first time in history that a large ship will have been brought up the Mississippi River in sections although the Cliffs Victory, the largest ship on the Lakes now was brought up by that route but not in sections.

Work on the new craft is being carried on at the Ingalls Ship Building Corp., at Pascagoula, Mississippi where the bow section is being constructed. The middle section has been towed from Pascagoula to Baltimore, Maryland where it will be joined to the stern section by the Maryland Drydock Company.

Capt. Leng is assisting Hanna Company Manager of transportation S. W. Sexsmith in supervising reconstruction, but it will be Capt. Leng's ticklish job to guide the two sections up the Mississippi River and Illinois Waterway to Chicago where they will be joined by American Ship Building Company's Chicago Yard.

The midsection and stern will leave Baltimore July 31 for New Orleans. The bow will leave Pascagoula about the same time. At New Orleans, Capt. Leng will take command from the drydock officials and will thread his way up the Mississippi.

The trip from Baltimore to Chicago will take five weeks. It took 10 days to tow the midsection from Pascagoula to Baltimore. The houses for the ship will be laid flat on the deck along with the smoke stack because of the low bridges that the ship will have to go under. They will be assembled at Chicago.

To permit the ship to pass under low bridges, water ballast will be taken on. Pontons will be placed under the stern to raise the boat in shallow water so it will draw eight feet. The vessel normally draws about 16 feet. The pontons will be burned off in Chicago.

The vessel is a former troop carrier known as the Marine Robin.

N. Y. C. Train Crew
Rescues Fawn

A spotted fawn, too young to understand the problem it faced in wire fences, was trapped by one and might have died had it not been for a conservation-minded railroad crew.

The story starts north of Grayling, where a New York Central freight train was chugging north on a run to Mackinaw.

Along the rail right-of-way at that point is a wire fence and as the train rolled through the countryside, the engineer saw a fawn struggling to free itself from a mesh of the fence wires.

Blowing a signal to conductor John L. Martin, the engineer began to slow and finally got the train stopped nearly a mile beyond where he'd seen the fawn.

Back went the train and crew to where the woodland youngster was trapped, and after working carefully, the fawn was freed. It had not been injured and was apparently all right, though quite weak from the ordeal.

Then the northern Michigan division of the New York Central was able to get back to work.

Our Gang

(Too Late For Last Week)

At the recent meeting of Our Gang at the home of Mrs. Archie Kennedy plans were made for the annual picnic to be held July 23 at the Otsego County Park.

The refreshment committee will be Mrs. Russell Mosher and Mrs. Pearl Mathews. These ladies will plan the co-operative lunch and all members will be notified what to furnish. All members please furnish own table service.

The birthday cakes for July will be furnished by Mrs. Marguerite Leslie.

Please meet at Grange Hall promptly at 4 o'clock for transportation.

During the meeting Mrs. Hurl Deckrow and Mrs. Paul Feldhauser gave several interesting readings.

Games were enjoyed with prizes given to Mrs. Marguerite Leslie, Mrs. Percy Budd, Mrs. Charles Kewey and Mrs. Feldhauser. The Penny Prize was given to Mrs. Hattie Mosher.

The birthday cake for the meeting was furnished by Mrs. Kewey.

Following the meeting pictures were shown by Mrs. Deckrow which were enjoyed by all and were very educational.

From where I sit... by Joe Marsh

Me—Advising a Banker!

The Missus and I were invited to dinner over at Balesville the other night. I sat next to a banker from the state capital.

"Mighty nice country you've got down there," he says. "Don't be surprised if I come to live there myself. In a few years I plan to get away from everybody, buy a farm and just take it easy."

"Well," I told him, "we'd like to have you. But when someone plans to buy a farm and 'take it easy' he often winds up working harder than ever. It takes work to run a farm right no matter how many

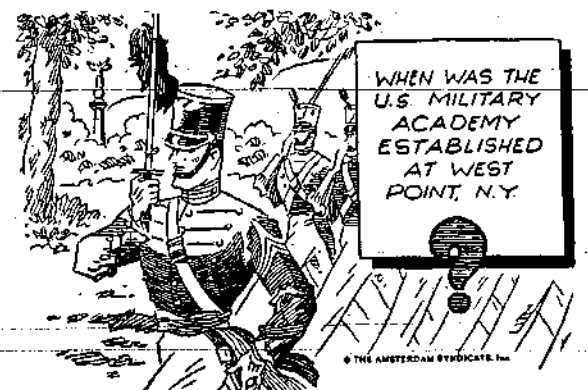

hands you can afford to hire.

"And from where I sit," I continued, "you won't get away from people either. Neighbors are plenty important in a farming community—whether it's helping one another out or just friendly visiting over a sociable glass of beer." "Hard work and neighbors dropping in all the time?" he asks, looking at me over his glasses. Then he smiles and says, "Sounds wonderful. You've just sold me on a farm."

UNBOSSSED

Why Republicans Should Nominate
Fred M. Alger for Governor

He is unbossed. Best proof of this is the fact that one-time bosses in control of the party organization, seeking to regain power, are doing their best to defeat him.

He has an outstanding record of economy and administrative efficiency compiled during his three terms as Secretary of State. Records show his department handled a 40 per cent increase in workload, while at the same time reducing personnel by 7 per cent.

He believes the solution of Michigan's fiscal problems lies not in new taxes, but in cutting the cost of government.

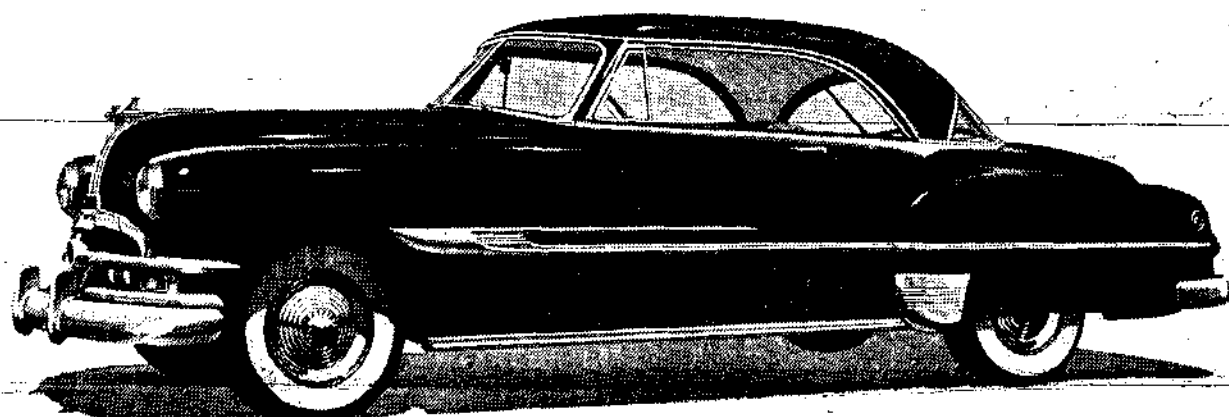

He stands the best show of winning next November because he is the best votegetter in the Republican party, as proven by the returns of the 1950 election, in which he polled more votes than any candidate on either ticket.
